

WB0060 Series Wrist Strap Set

The WB0060 series wrist band and coil cord set features hypoallergenic silver-plated nylon thread for conductivity. The band is standard with a 4, 7 or 10mm male snap or a 4mm machined post.

The 2.5mm polyurethane coil insulation offers excellent coil memory. A swivel type banana jack increases coil life and prevents cord tangles.

The soft, blue woven fabric of the WB0006 wrist band allows the skin to breathe and makes it very comfortable to wear. The WB0006 uses hypoallergenic silver-plated nylon thread for conductivity and has a maximum resistance of 160 ohms.

Meets or exceeds requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006

Product Specifications

Wrist Band

Fabric: Polyester with silver-plated nylon
Resistance: 100 ohms typical
Color: Blue
Snap: 4, 7 and 10mm
Snap Release: 1-5 pounds
Back Plate: Stainless Steel

Coil Cord

Length: 5 feet, extended/12 feet, extended
Resistor: 1 meg ohm
Flex Life: > 50,000 flexes
Color: Black
Banana: Swivel type
